A call for submissions of IOE member logos!

Dear Members

You may be aware that the IOE homepage features a sliding banner of the logos of members who have responded to previous calls to take advantage of this increased visibility. To date, we are pleased to be able to feature 69 of our member logos out of a total of 156.

If you would like to know if your logo is currently included in the banner, please visit the homepage via the link above or consult the list which may be accessed via the link in the side panel.

If you have not done so already, or if you have recently updated your logo, please do submit a high-resolution version of your current logo as soon as possible and by 28 February at the latest.

In addition to enhancing your organisation's visibility as a member of the international employer community, the banner is a clear visual and public demonstration of the extent of the IOE's global representativity!

We look forward to hearing from you and hope you will take advantage of this opportunity.

Kind regards,

Linda Kromjong
Secretary-General
