

Global Occupational Safety and Health Network (GOSH.net)

“We would like to thank the IOE and their GOSH.net for contributing the global perspective of employers to the 2014 International SOS Foundation Global Framework. Managing and mitigating risks to employee health and security during international assignments is moving up the agenda for businesses operating globally.”

Laurent Fourier, Regional Managing Director CEMA (Continental Europe, Maghreb, Africa) International SOS

Are you a senior occupational safety and health (OSH), risk management or sustainability professional in a multinational enterprise or employers' organisation?

Do you need to be up-to-speed on current and emerging corporate and global OSH, risk management and sustainability trends and issues?

Would you value exchanging views and best practices across business sectors and with peer professionals?

If the answer to any of these questions is **“YES”**, you may be interested in learning more about Membership of the IOE's Global Occupational Safety and Health network. (GOSH.net)
