Internship Opportunity – Global Forum on Migration and Development Business Mechanism (Ref. IOE-intern- GFMD -2017)

The International Organisation of Employers (IOE) is the largest network of the private sector in the world, with more than 150 business and employer organisation members. In social and labour policy debate taking place in the International Labour Organization, across the UN and multilateral system, and in the G20 and other emerging processes, the IOE is the recognized voice of business.

The IOE seeks to influence the environment for doing business, including by advocating for regulatory frameworks at the international level that favour entrepreneurship, private sector development, and sustainable job creation.

The Global Forum on Migration and Development (GFMD) is the key international forum to address migration and development interconnections, with a focus on action. It is an informal, non-binding, voluntary and government-led process that reflects the progressive acknowledgement of the value of multilateral approaches to migration and development.

The International Organisation of Employers (IOE) coordinates the work of the GFMD Business mechanism, which serves as a platform for interaction between the private sector and GFMD participating States. The aim of this public-private partnership is to advocate for migration policies that take into account labour market needs.
