Dear Colleague,

Re: Employer Consultation on Temporary Labour Migration in the Gulf

I am writing to encourage to attend a forthcoming event, "**Governance of Temporary Labour Migration in the Gulf: Employer Perspectives on the Global Compact for Safe, Orderly and Regular Migration**". The event is organised by the Federation of UAE Chambers of Commerce, in cooperation with the UAE Ministry of Human Resources and Emiratization and the International Organisation for Migration, in partnership with the International Organisation of Employers and the GFMD Business Mechanism.

The event will be held at the InterContinental Hotel Dubai Festival City on November 20th 2017.

The UN General Assembly, in September 2016, adopted the New York Declaration, in which Member States committed to engage in a process of negotiation, leading to the adoption by the General Assembly in 2018 of a Global Compact for Migration. The Global Compact aims to improve international governance standards around migration. Global, regional and sub-regional stakeholders have been invited to participate in consultations. A report from this meeting will be submitted as part of those consultations.

This event will be the primary opportunity for employers in the region to understand what the Global Compact is, what its potential impacts are likely to be, and contribute their perspectives on the key priorities for business.

The event is limited to senior-level executives only. As the event is aimed at the level of a strategic consultation, registrations will be screened to ensure appropriate participants are in attendance.

Attached is a form to register for the event and an illustrative agenda.

I look forward to seeing you on November 20.

Yours sincerely,

Humaid Mohamed Ben Salem
