ISO-ILO RELATIONSHIP AND ILO VIEW ON ISO OSH MANAGEMENT SYSTEM STANDARD

Dear Members and Colleagues,

As part of our ongoing efforts to keep you apprised of developments on the ISO OSH Management Standard, we would like to bring to your attention two relevant documents (available in English only) which you can access via the links in the side panel:

1. Note on the ILO-ISO Relationship as defined in the MoU
2. ILO comments on the ISO OSH Management Standard

The ILO has been engaging intensively to influence discussions on the development of this standard, but national ISO representatives remain the only bodies that have voting rights. IOE members can therefore represent the interests of business in this discussion by advocating at national level.

Further developments will be reported in due course. Please do not hesitate to contact me in the meantime if you have any questions or concerns.

Kind regards

Janet

Dr Janet L. ASHERSON
