The Employment Working Group working on a statement on COVID-19 on behalf of all G20 member countries.

The Employment Working Group seeks to further engage directly with L20 and B20, and with other global stakeholders, to contribute to and inform our next EWG meeting on 8th April, providing valuable and critical insights.

The Employment Working Group added a new session to their planned virtual, “Action to Reduce the Impact of COVID-19 on Global Labor Markets” for the 8th April 2020. This session will include a detailed report from ILO and OECD on the global impact of COVID-19 on global labor markets and the measures being taken globally.

Following G20 2020 Leader’s statement, ILO/OECD have been commissioned to create a G20 outlook report, on how COVID-19 will impact the labor dynamics in 2020 and beyond.

We welcome further collaboration with IOE and ITUC for their insights, feedback and consultation, all of which will help inform the deliberations of the Employment Working Group when we meet on 8th April.
