Mitigating the impact of the crisis

• The health and livelihoods of workers and the sustainability of enterprises are at risk on the global level
• The impact of Covid-19 on the business world is unprecedented
• Employers have a key role to play in helping flatten the curve and in supporting political decision-makers with mitigation efforts
• IOE has mobilised to provide its full support to members:
  ✓ A series of specific digital conferences
  ✓ A dedicated digital platform
  ✓ Engaging different forums and partners internationally
