## Setting the Scene

**Johnny C. Taylor, Jr.** President and CEO, Society for Human Resource Management (SHRM)

SHRM is the expert voice in addressing the evolving challenges in today's workplaces, including workforce development, workplace equity, workplace immigration, and workplace flexibility and leave. SHRM membership offers personalized resources, exclusive content on workplace topics, an active community, discounted educational and conference offerings, and access to live chat support to equip professionals with the knowledge, tools, and network needed to elevate their workplaces.

**Constanze Moorhouse, Rechtsanwältin & Solicitor,**  
Eversheds-Sutherland

Constanze Moorhouse qualified as a lawyer in Germany in June 1997 and as an English solicitor in July 1999. She is a partner in Eversheds-Sutherland's Human Resources practice group and leads the International Employment Counsel Team.

Constanze regularly works in a cross-border environment advising UK and US clients on German law and German clients on English law in all matters relating to employment, including litigation and the employment aspects of corporate transactions.

**Eva Rimbau Gilabert**, DigiBiz Research Group, Associate professor in the area of Human Resources at the Universitat Oberta de Catalunya

Eva has been a lecturer at the UOC since 2004, where she has served as Academic Director of the Degree in Labour Sciences, of the Master in Occupational Safety and Health, and of the Area of Graduate Studies in Business and Economy. She is a member of the Digital Business Research Group (DigiBiz). Her lines of research revolve around the following areas: - Flexible work arrangements - Evidence-based management - Impact of digitization on human resources management - Employee wellbeing

- **Tour de table**
- **Concluding remarks**

**Roberto Suárez Santos**

Secretary-General
